Aman Benjwal

ABOUT ME

Creative and detail-oriented Computer Science student with strong skills in web and software development, brand design, and effective use of AI tools. Experienced in building scalable web applications and contributing as an intern to the AGNIRVA Space Project (by ISRO) with a focus on efficiency and user experience.

EDUCATION

College / Schooling

| Year | Degree | Institute | GPA/Marks(%) |
|-------------------|----------------------------|--------------------------------------|--------------|
| Sept, 2022 - 2026 | B.TECH in Computer Science | Graphic Era Hill University Dehradun | 6.91 |
| 2022 | C.B.S.E | C.S.P.S | |
| 2020 | C.B.S.E | C.S.P.S | |

PROJECTS

• Employee Management System (Jan 2023 – May 2023)

Developed a system to manage employee records with features to mark, update, and view data, improving accuracy and efficiency in organizational workflows.

• Text-to-Audio and Audio-to-Text Converter (Oct 2023 – Dec 2023)

Built a web tool using HTML, CSS, and JavaScript with speech APIs for real-time text-audio conversion, highlighting front-end and accessibility skills.

• ML-Based Attendance System (Face Recognition):

Built an attendance system using machine learning and camera input to recognize faces and auto-record attendance in Excel, enhancing accuracy and minimizing manual work.

SKILLS

- **Languages:** JavaScript, C, C++
- **Database Management:** SQL, MySQL
- **Frontend:** HTML, CSS
- **Tools:** VS Code, Git, Canva, Web Design Tools, AI Tools, Figma, Typography

PROFESSIONAL ACHIVEMENTS

- Completed a one-month internship on the Agnirva Space Program by AICTE.
- Collaborated with brands on social media and monetized my design skills through freelance brand and content creation.

Certifications

- Google Cloud Computing Foundations, **Aug-Oct 2023**
